

Travis County Floodplain Reforestation Project – 2021 Monitoring Report

Project Operator Name: TreeFolks

Project Name: Travis County Floodplain Reforestation Project - 2021

Project Location: Eastern Travis County, TX (Austin, Del Valle, Manor, and Elgin)

Deadline to Submit to CFC (*annually from the date of the first Verification Report*): Wednesday, January 18, 2023

1. Has the contact info for the Project Operator changed? If so, provide new contact info.

There have been no changes in the Project Operator contact information.

2. Have there been changes in land ownership of the Project Area?

There have been no changes in land ownership.

3. Have there been any changes in the Project Design?

There have been no changes in the project design.

4. Have there been any changes in the implementation or management of the Project?

There have been no changes in the implementation or management of the project.

5. Have there been any significant changes to the site (such as flooding or human changes)?

There have been no significant changes to the site.

6. Have there been any significant tree or canopy losses estimated to be greater than 10% of Project Trees or 10% of canopy?

No significant tree or canopy loss has been identified.

7. Do you anticipate future canopy loss (such as a new pest or disease issue found)?

No new issues have been identified that may lead to future canopy loss.

8. Any other significant elements to report?

There were two notable weather events that occurred either during or after project planting.

- Severe winter storm, Uri, which lasted from February 13 – 17, 2021, bringing with it an all-time low of 6° F in Austin, and a total of 144 hours of below-freezing temperatures
- Drought conditions across Texas the summer of 2022. From March 2022 until November 2022, 50% of Travis County was registered by the U.S. Drought Monitor to be under drought conditions, with the time period between July 2022 and September 2022 designating over 50% of the county as experiencing either exceptional or extreme drought

Signed on December 15th in 2022, by Valerie Tamburri, Reforestation Manager, for TreeFolks.
