

Advancing Tree Equity in Providence - 2021 Attestation of Additionality

I am the VP of Urban Forestry representing the Project Operator of American Forests, and make this attestation regarding additionality from this tree planting project, Advancing Tree Equity in Providence – 2021.

- Project Description
 - The Project that is the subject of this attestation is described more fully in both our Application and our Project Design Document (PDD), both of which are incorporated into this attestation.
- Legal Requirements Test
 - Project trees are not required by law or ordinance to be planted.
- The Project did not plant trees on sites that were forested and then cleared of trees within the prior ten years
- Project-Specific Baseline or Performance Standard Baseline
 - Project trees are additional based on a project specific baseline. See PDD; or
 - Project trees are additional based on the Performance Standard baseline; see attached baseline to the PDD.
- Project Implementation Agreement for Project Duration
 - American Forests has signed a Project Implementation Agreement with City Forest Credits for 25-years.
- The 25-year Project Duration commitment is additional to and longer than any commitment our organization makes to non-carbon project tree plantings.

Signed on June 6 in 2022, by Ian Leahy, Vice President of Urban Forestry, representing the Project Operator of American Forests.
